

The Liberated National Health Service

The British Medical Association has weighed in on the new Health Care proposals.

- The Allergists voted to scratch it, but the Dermatologists advised not to make any rash moves.
- The Gastroenterologists had a sort of a gut feeling about it, but the neurologists thought the Administration had a lot of nerve.
- The Obstetricians felt they were all labouring under a misconception. Ophthalmologists considered the idea short-sighted.
- The Pathologists yelled; "Over my dead body!" while the Paediatricians said, "Oh, Grow up!"
- The Psychiatrists thought the whole idea was madness, while the Radiologists could see right through it.
- The Surgeons decided to wash their hands of the whole thing. The ENT specialists wouldn't hear of it
- The Plastic Surgeons said, "This puts a whole new face on the matter...."
- The Podiatrists thought it was a step forward, but the Urologists were pissed off at the whole idea.
- The Anaesthesiologists thought the whole idea was a gas, and the Cardiologists didn't have the heart to say no.
- In the end, the colorectal surgeons won, leaving the entire decision up to the A%-%-^*&^S in London.
